

# FEVER SHOWS

## When does the Fever hold their Shows?

Typically, we do 2 shows per year- one in December & the other sometime in May. Both shows are unique in their own ways. Holiday Showcase is much more laid back and themed around the Holidays with NO costume changes. Our May Show is over the top with acting, themed dances, costumes, props, etc.

Holiday Showcase will be December 17th, 2021

Spring Recital will be the weekend of May 27-29, 2022

(With a mandatory dress rehearsal the week leading to show weekend)

## Is It Required to Participate in these Shows?

It is only REQUIRED of the Competition Team Members to participate in Fever Shows- The Shows are optional for ALL OTHER PERFORMERS.

WE HAVE NO CONTROL OVER TICKETING. FEVER CANNOT MAKE EXCHANGES OR REFUNDS. All ticketing issues will run directly through the online ticketing company or the hosting venue

- Children 2 & younger can enter for FREE but must sit in a lap- No strollers, car-seats, etc.
- Each dancer receives 1 FREE \$20 ticket credit on their account with recital fee payment completion•

- My child is in multiple classes. Will all of those classes perform in both shows?  
Yes! We will run the exact same show twice to ensure that every dancer has availability for all of their friends and family to come watch them perform.

If for some reason your child is in a class that is not selected for the show, we will handle this on an individual basis. We do our very best to involve each & everyone.

- Is my child required to attend Dress Rehearsal?

Yes. If your child misses a dress rehearsal for any piece- they will not be allowed to perform that piece at the show. Dress rehearsal is vital to your dancer and OTHER dancers in learning formation placements & show day protocol.

- Is my child required to attend Recital Picture Week?

Yes! In order to miss this day you must receive approval of absence by Fever Staff. Remember, these photos will be featured in the 2022 Fever Memory Book, sold at recital.

What about hair, jewelry, & makeup for the recital?

We always supply a detailed pack-list for you which includes your hair, makeup, and costume accessories for picture day, dress rehearsal, and show day. We prefer dancers purchase curled hair pieces if their class is called to wear their hair in high curled ponytails. Not only do we prefer this for the clean look it creates with costuming on stage, but it truly helps relieve MUCH headache and stress for both dancer and parent on show day. The curls just snap onto the child and they look clean from all angles. Hairpieces are an item you purchase on your own-you can find these at Sally's hair supply BUT most purchase online at [www.cheerleaderhairpieces.biz](http://www.cheerleaderhairpieces.biz) - we provide a swatch of hair colors in the main lobby pinned on the information board. Kinder Level & Under will wear curls. All Other levels will be wearing High Hot Bun or Braids. The distinction between hair selections will be noted on the picture and show packlists that we diligently put together and email out in ample time.

The Fever sells show earrings at the front desk for \$10 a pair & these become available closer to show day.
