

# HOLIDAY SHOWCASE HAIR

## Twinkle Toes, Tiny Tots, Pre Dance, Kinder Levels

### **Hair should be in "high curls"**

This means that you can either simply put your child's hair in a high ponytail and then curl the ponytail pieces OR you can purchase a hair-piece. The hair-pieces ARE NOT required but they do make your life 1000x easier on picture day and recital day. Please make sure hair is slicked back with plenty of hairspray and gel, with no flyaways. You will then secure their hairbow with bobby-pins to ensure they don't slip off.

We have hair samples in studio for you to match your dancers hair color. You can choose between the "barrel curls" or "spiral curls". If you have a tiny dancer that doesn't have a ton of hair, we suggest purchasing ONE of the "piggie barrel pigtails" or "spiral pigtails".

Below is a link to the website for ordering hair-pieces: If you plan to order a hairpiece please make sure to do so by December 1st, as shipping delays are expected.

## Mini & Junior Levels

**Hair should be in a high Ponytail.**

Please make sure that your dancers hair is slicked back with plenty of gel and hairspray so that there are no flyaways. Hair will be high on their crown with a straight ponytail. You will then secure their hairbow with bobby-pins to ensure they don't slip off.

## Teen & Senior Levels

**Hair should be in a low pony with a middle part.**

Please make sure that your dancers hair is slicked back with plenty of gel and hairspray so that there are no flyaways. Hair will be low, closer to their neck with a straight ponytail. You will then secure their hairbow with bobby-pins to ensure they don't slip off.
