

All About Our Holiday Showcase

How is Showcase different from Recital?

Our Spring Recital is a huge production with an original script that we put on every year to highlight all of the hard work the kids and staff have put in throughout the year.

Our Holiday Showcase is a smaller version of our Shows to showcase what the kids and staff have been working on during the fall semester, minus the original script and acting. Think normal Recital for this event.

How will ticket purchasing be different from years past?

Tickets will NOT be sold in house this year!!

Dancers and family's DO NOT receive a free ticket with this years showcase fees, please be mindful of that when ordering tickets.

We will be unable to hold any tickets this year as we are no longer in charge of selling tickets, which means you MUST do your due diligence to purchase your tickets ahead of time to ensure you are able to watch your child perform as we ALWAYS sell out our shows early.

Tickets will go on sale at 8am on November 1st, 2025 - PLEASE BE SURE TO SET AN ALARM

All children 2 & under will not have to purchase a ticket but will need to sit in a lap if they choose to attend.

Will Videography and Photography be permitted during the Holiday Showcase?

Yes, audience members will be able to video and take photos but no flash will be permitted. We will also have the option to purchase professional videos.

Will my child need to wear his/her hair a certain way or wear make-up during the performance?

All children participating in the Showcase will wear their hair a specific way but those details will be emailed out prior to the performance. Make-up is ALWAYS optional for our dancers. Only Company Level dancers are required to wear specific make-up.

How are classes chosen to participate in Showcase?

Classes are normally split between Showcase and Recital each year based on a number of things such as enrollment and how well the style fits the needs of each show.

Please see the complete list of which classes were chosen to participate in the Holiday Showcase on our website & in the Newsletter. _____

Saturday December 20, 2025
2pm & 7pm
Location: UWG Townsend Center

WEST GA DANCE CENTER'S HOLIDAY SHOWCASE

We are excited to be celebrating our 18th Season with you and your dancer! Our Holiday Showcase is a time for friends and family to come out and support their dancer as they showcase what they've been working hard on all semester.
